- I. Welcome and Introductions**

- II. Review of Gov. Brownback's Chair's Agenda**
Matt Goddard, Office of Gov. Brownback

- III. State Discussion about State Approaches to Men**
Secretary Eloise Anderson, Wisconsin Department of Families and Children

Programs addressing poverty reduction and outreach often are geared toward mothers, while not addressing the lack of positive male interactions for children.

- What is your state doing to address men in poverty?
- Does your state have any programs specifically geared towards men?
- What changes are needed to ensure that men are equally accounted for in poverty programs?

- IV. Conclusion**
